The river of life just keeps flowing
From the mountains through the great
lengths of this land
And all around it life passed by
Living as it were in paradise

The river of life

- Susmit Bose

Welcome to Alcove New Kolkata

A self-sustaining, state-of-the-art township in Serampore. The 29-acre property is a first-of-its-kind residential and

commercial township in the world to be built along the banks of the holy river.

The perfect Sangam of life and lifestyle

Discover your dream home at New Kolkata Sangam - a luxurious residential complex that offers premium Ganges view and a host of conveniences. With three categories of residences - Signature, Suites, and Serenity - you'll have a variety of options to choose from to cater to your specific needs. Experience the ultimate in comfort and convenience at New Kolkata Sangam.

Unveiling the signature dream

Meet the Man Behind the Vision

Alcove Realty was founded by **Shri. Amar Nath Shro**. He is the driving force behind our commitment to excellence, innovation, and customer satisfaction. With decades of experience in the industry, he has shaped our company into what it is today. His passion for creating exceptional homes has led our team to deliver countless successful projects that have set new benchmarks in the industry.

As a visionary leader, **Shri. Amar Nath Shro**'s expertise continues to inspire our team to push boundaries and exceed expectations. At Alcove Realty, we take pride in having him at the helm of our journey towards excellence and customer satisfaction.

Designed for the Future

Padma Bhushan awardee architect Hafeez Contractor designed the New Kolkata project with the aim of providing economic yet superlative housing. He ensured that each flat had a view of the Ganges and cross ventilation. His vision for the project was to provide high-end flats in a well-located area, with fabulous layout, a grand entrance, with convenient amenities and luxurious facilities that can compete with any other flats in the heart of Kolkata, all this whilst enjoying an affordable price point.
